Lake Sacajawea

\* \* \* the name of this lake has never been officially changed on the filed plats nor by ordinance of the City of Longview. When the lake was improved and the city was platted, the newspapers ran a contest and Lake Sacajawea was chosen as the most appropriate name, so by common usage and consent that has been the name used ever since.  
City Clerk, Longview, 1/21/41.
